Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you ever dream of finding buried treasures on the beach? Have you sat there and watched as other people comb the beach with their metal detectors wondering if they ever really find anything? Do you think that they would be there doing it if they were not finding anything? These people are digging up silver, gold, diamonds, platinum, old coins, and every other type of treasure that you could imagine. It is real. There is an entire world of buried treasure right beneath your feet, and it is waiting for you to dig it all up. Finding that buried treasure does not have to be a dream. In fact, it is pretty darn simple as long as you know a few basics. You can get lucky. Anyone can get lucky, but knowing how to look at a beach and know exactly where the gold is, is a skill that most people only learn from experience. In this treasure hunting book, Mark Smith, a professional beach bum tells you exactly how he has found loads of treasure. There is more to it than swinging a coil, enjoying the scenery, and enjoying the breeze. Learn how to find treasure by: learning common metal detector terminology, types of water metal detectors, a metal detectors anatomy, other equipment you will need, proper etiquette, what you can expect to find, why you should never throw anything away, how to identify your finds, how to identify jewelry, how to tell if it is real gold, how to metal detect with children, the influence of the tides, how seasons and weather can uncover lost treasures from years past, how to pinpoint...
