Back in the day, a Paiute prophet had a vision of a land as it should be as it once was. A place with no fences. A place filled with wild game and giant buffalo herds. Great Spirit said that if our people worked together we could reunite with our ancestors who had been murdered during the conquest. And that the wild game and the buffalo would return to the land. Spotted Bear from Camp Redemption: Ghost Dance at Wounded Knee. Dwayne Jackson is a basketball phenom from Chicago's south side, a superstar on his way to a college scholarship. Many consider him destined for the NBA. But his life is unraveling: his best friend is murdered, his brother joins a gang, and Dwayne himself is somehow tied to a murder he didn't commit, and sentenced to spend the summer at Camp Wounded Knee. There, Dwayne meets Spotted Bear, another angry young man with a deep, simmering resentment over the mistreatment of his people. Will the wrongs ever end? Will justice ever prevail? Will the strangers forever be invading the land? But Spotted Bear has a plan; and before long, Dwayne and his friends are unwittingly pulled into an ancient Ghost Dance ceremony and launched back to 1848 when the Native Americans ruled the Plains, and the slave trade ruled the South. While Dwayne and a newfound ally, strong-willed country girl Jackie, hasten across the Mississippi to rescue his ancestors, Spotted Bear and the ancient tribes rally to destroy the oppressors and take back their land. The country is heading quickly toward all-out war, and only Dwayne and Jackie can stop it. But will they get there in time? Or will...
