

High Profit, Low Risk Trading Methods: How to Make Money and Protect Assets in Today s Financial Markets (Paperback)

By George H Kariger

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.George H. Kariger has been an investor and trader in the financial markets since 1985 and has spent thousands of hours intensively studying hundreds of market trading books, articles, research projects, and systems. The author is a retired teacher from Argos Elementary School in Argos, Indiana, and regularly had his students participate in stock market simulation contests. In 2001 one of his fifth grade teams of ten and eleven year olds amazingly defeated over 2000 other stock market teams in Indiana to win the state contest. His students made over \$36,000 in only ten weeks on an investment of \$100,000 in the spring of 2001. This feat was accomplished during a severe bear market in which market indices declined 25 during the same time period. He had numerous other teams over his many years of teaching who finished in the top ten in state stock market simulations. In this groundbreaking book, he will demonstrate with charts and a few simple indicators how you can obtain solid profits with low risk in today s financial markets. He will explain the simple chart reading methods...
