Forgotten Books, 2017. Hardback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from L Heredite Morbide L heredite morbide est un facteur dont l'importance en pathologie, en hygiene, en medecine sociale, ne saurait etre trop hautement affirmee. L heredite gouverne le monde: les vivants agissent, mais en eux les morts parlent et les font ce qu'ils sont. Nos ancetres revivent en nous; nous leur devons nos qualites et nos defauts, notre sante robuste ou delicate. Quelques maladies n'ont aucune autre raison d'etre que l'heredite; les autres, dites accidentelles, reconnaissent d'autres causes immediates: intemperies, fautes alimentaires, intoxications, actions microbiennes, mais de l'heredite depend le plus souvent la facon dont notre organisme leur resiste, les combat, les terrasse, ou au contraire succombe a. Leurs assauts. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
