SAFAR-HADGI: OR RUSS AND TURCOMAN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Safar-Hadgi: Or Russ and Turcoman Geographers designate under the common name of Turkistan the vast region lying between the sea of Aral and Caspian Sea, the Celestial Mountains, the Roof of the World, the Hindoo-Koosh Mountains, and the mountains of Khorassan. Yet those who have made a closer study of the country observe among its inhabitants a marked diversity of types, races and general characters. The Turkomans of the south belong to the Caucasian race; the Turkomans of the north, the Kirghiz, the Uzbecks, and the Kipchaks, are Mongols; and the Tadjiks - called Sarts at Khiva - are hybrids. The first four are courageous, indomitable, barbarous, and, for the most part, nomadic; while the last are sedentary, pusillanimous, given to mercantile pursuits, and readily accessible to the influence of civilization. Although Turkistan has from time immemorial been the hot-bed of Moslem fanaticism, the Kirghiz are Buddhists, and there are Hindoos of the religion of Brahma, and Parsee fire-worshippers. Christians alone have ever been the object of inexorable persecution. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
