Xulon Press. Paperback. Condition: New. 62 pages. Dimensions: 9.6in. x 6.7in. x 0.1in. Women in Ministry seeks to shed light on what the scriptures really do convey about this subject verses, what has become man made tradition in the church. Taking the time to walk you through the Bible from Genesis to the New Testament, the author, seeks to show you in an unbiased way that women have always been involved by Gods choice in the redemptive plan He has for the world. God has never restricted women from functioning in a visible and verbal role in His Kingdom. God has not reserved certain gifts and offices for male exclusivity in His Kingdom. There are differences between men and women but as Paul said in Galatians 3: 28, in Jesus Christ we are neither male nor female. Women functioned in every gifting Christ gave to the church. In Revelation 1: 6, John says, He has made US, Kings and Priests to serve Him. He does not distinguish between male and female in this passage. We as a human race are called to leadership not based upon our sex but upon His finished work, and the outpouring of His Spirit to the church and the world. Eve in this hour will birth the true message and meaning of the Messiah to the world. This book will open a well of refreshing for those who are tired of the bitter waters of the women question. Oh taste and see that the Lord is good! Excelsior! (ever upward) This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
