Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Bouquet of Memories is a collection of poems, the majority of which, were written between January 1970 and the end of 1974 during the last two years of my military service and the first two years of a civilian life that has taken me to many countries and a multitude of adventures. As a singer/songwriter I ve been the legend that no one has heard of and for over forty years I ve carried a hand written manuscript of these poems that went by the title of Don t Mock Poetry, It s Not Dead Yet . I must have got sentimental in my old age and as my present girlfriend (I say girl loosely) typed them up I m obliged to reward her, by publishing this collection under a more slushy title.
