(Regular Price \$4.99)\*\*\* Chances are that no matter who you are, you find yourself having to communicate in one way or another with other people around you in a daily capacity. Even the simple take of going to the store and running in quickly, still leads to an interaction with another person. We live in a world where communicating with others is something that we just have to do, so why not be good at it! Its important to remember that while communication is focused highly on the way we speak to others and the words that we use, it is also the way you use your body language. Body language can put forth a message equally as one delivered by words. If you have poor communication skills then it may lead to a lot of misunderstandings and bad personal relationships. This can cause a lot of added stress and complications into your life that will bring you down greatly in the long run. You must avoid this at all costs! It can even be holding you back from the success you long for in your chosen career. The costs of poorly executed communication in the work place can actually even be measured in fiscal terms and this directly affects you because you could be going further and making yourself a lot more money. This is crazy to think about, right? Studies have recently found that...
