If the Nigerian political class would understand that you don t need billions of Naira to live well and meaningful life, perhaps, this recklessness in looting public funds would be greatly minimized. This book attempts to review the waste and looting of public funds by our public officers during the decade ending in 2009, categorizes the missed opportunities of our nation, and proffers solutions for sustainable political and economic development. Agbai Ina Obasi obtained a BA degree in Public Policy Administration and Juris Doctorate (JD) in law in 1986 from Marquette University in Milwaukee, Wisconsin, United States.
