

The Brothers Bulger: How They Terrorised and Corrupted Boston for a Quarter of a Century

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Little, Brown Company, United States, 2006. Paperback. Book Condition: New. Reprint. 185 x 104 mm. Language: English . Brand New Book. A portrait of two kids from South Boston who grew up to control a state: Whitey, in his position as Boston's most feared mobster, and Billy, from his gavel-wielding bastion in the Massachusetts State Senate. Eventually, Whitey becomes the FBI's second most wanted man behind Osama Bin Laden but Billy, though his influence put even presidents and governors at his beck and call, would eventually resign the Senate and take over the presidency of the University of Massachusetts. To those on the outside the storyline has always been the same: Whitey, the bad son, blazes a murderous trail to the top rung of the organized crime ladder and eventually goes on the lam; Billy, the good son, embraces the value of education, studies the classics and uses his mastery of the state's political machine to effect positive change in people's lives. This book shows that the real story is far more complex and that the brothers enjoyed an unholy and destructive alliance for decades, working both sides of Boston's Street of Power: political corruption and deadly force.
