Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. 1500000000 (One point five billion pounds) a year. That is what men in the UK pay women in Child Maintenance alone. Do you want a slice of it? This is the proposition: you get your own house, all paid for, plus a pay rise equivalent to at least 25.000 a year, while you triple your pension pot and get free child day-care. You d be pretty daft to say -no-. If you say -yes-, then the answer is -divorce-. Let s face it, no marriage lasts forever. Many women have had children and go through the empty motions of marriage. Grasp the initiative and move on to an independent lifestyle, new friends and lovers . and let s face it, you deserve it! Constantly updated and even covering how to nullify the dreaded hair test for alcohol consumption, this book breaks the action down into 12 easy steps. It guides you through the process in simple terms and shows you exactly how to win each step (even the hair test). Each chapter ends with a -what to do now- box with tips. Beware, this is the REAL stuff, don t expect any lawyers to tell you this! Quite the opposite, they make their money by NOT telling you this!.
