Paperback. Condition: New. 278 pages. NEWLY REVISED AND EDITED When a Special Forces agent working for the United States Government goes on a killing spree, the Department of Defense gets involved. When that very same agent seems to be under the influence of a special object hell-bent on destroying the world, the Department of Defense involves the Unusual Operations Division. Marcus Claudius Constantine and his highly trained band of operatives are up to face any challenge they may confront. Utilizing unique perspective gleaned from years of experience, the UOD answers the call that even the government wants to deny. Despite their vast experience, specialized skills, and the worlds most cutting edge technology, even the professionals can be taken by surprise. In the most challenging case they have ever faced, the UOD is called upon to find and stop the murderous madman. To capture John Flipske, the elusive victim of the unknown ailment, the team finds themselves struggling to survive a series of dangerous circumstances. Besides seeing death around every corner, dodging bullets and madmen, and watching the end of the world unfold before them, its just another day in the office. The only question that remains for the team is whether or not the sacrifices they make will be worth it in the end. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
