Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Yosemite, long a place of beauty, tranquility, and refuge from harsh elements and entities.Yosemite, can be harsh in winter especially, and flash flooding needs to be considered in climbing and out door activities, nature is wonderful, and few places are as loved as Yosemite. I spent a good portion of my childhood vacations in Yosemite and also later in life, I alway love to come to Yosemite and feel the blessings of God all around me through nature, the songs of the Mariposa Pines where Monarch butterflies come in their annual migration.Swimming in the Merced on a hot summer day, walking on trails with my family, it is an honor to put this book out for all to be able to experience it as I do. This is a multimedia edition, with a place for journaling, a place to write a poem and story, and coloring sheets. For all ages, and a video on youtube with the same name is available for interactive learning so all learners can enjoy Yosemite the way they like to.
