Friedman, nuclear physicist, author of *Flying Saucers and Science* Highly respected UFO abduction scholars Marden and Stoner have accomplished something rare and remarkable with *The Alien Abduction Files*, namely, an opportunity for readers to enter into the heart of what may well be the greatest mystery and challenge facing humanity today. --Peter Robbins, coauthor of the British best-seller *Left at East Gate* and longtime assistant to pioneer UFO abduction researcher Budd Hopkins Why would two women separated by thousands of miles share a common thread involving alien abduction Both cases are supported by multiple witnesses and have substantial evidence. Both women experienced missing time while driving with a companion, and were later taken from their homes.
