

## One Tractor: A Counting Book

By Alexandra Siy, Jacqueline Rogers

Holiday House. Paperback / softback. Book Condition: new. BRAND NEW, One Tractor: A Counting Book, Alexandra Siy, Jacqueline Rogers, In his own backyard a toddler imagines and counts vehicles and machines, from 1 tractor to 10 bicycles. Pirates sail in on 3 floating boats; 5 big trucks are ready to pull; 6 city buses are Stopping, going all day long. He joins in the action, sitting in a basket hoisted by 4 cranes, helping firemen in 7 fire trucks shoving red hot flames away from a woeful dragon. A few pictures may be too cluttered for the preschoolers to grasp at first (its hard to count the 10 bicycles that are locked closely together in the rack). But with its simple rhyme and nicely detailed pages, watercolor spreads, the book does give children an opportunity to recognize the kind of imaginative play they engage in every day as well as join in the counting action that happens on the pages.
