BOOMER BOOSTERS: INSPIRATION FOR AGING BABY BOOMERS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Growing older . is a GOOD thing! Right? It does beat the alternative! You may have one of three reactions to this book s title: (1) I m not yet a Boomer so aging is of no concern to me; (2) I m way older than a Boomer so this is too late for me; (3) I am a Boomer . and I don t want to admit it or even think about the fact I m getting older every day. Go away! Hey, I hear you. But, this book is for every single adult, no matter which of these three initial gut reactions we may have. Every day, we get a day older (unless we encounter the unhappy alternative, of course). That s a good thing. No matter what your age, the stories, reflections and insights you ll read here will help make your life more positive and hope-full! That s right: filled with hope! Specifically, Baby Boomers are the 76 million-plus who were born between 1946 and 1964 - those who are now in their 50 s, 60 s and 70 s. This can be one of the most exciting seasons of life yet encountered. Really! This seasoned author-minister to Boomers, seniors and all others, shares personal life experiences and reflections to encourage and inspire his fellow aging Baby Boomers, to make this the most fulfilling third of their lives. Yet older individuals will also be motivated by the discoveries they ll come across in these pages. And to those younger - hey, we are each getting older every day. It s not too early to learn how to make your life a great trip. Are you feeling some...
