AK Press, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. A parenting guide like no other! Jessica Mills, a touring punk musician, artist, and political activist, gives readers a delightful, information-packed guide to having and raising kids without giving up your politics, art, or life. Disappointed by run-of-the-mill parenting books that didn't speak to her experience, Jessica set out to write a book tackling the issues faced by a new generation of moms and dads. The result is a parenting guide like no other. Written with humor, extensive research, and much trial and error, *My Mother Wears Combat Boots* delivers sound advice for parents of all stripes. Amid stories of bringing kids (and grandparents) to women's rights demonstrations, taking baby on tour with her band, and organizing cooperative childcare, Jessica gives detailed nuts-and-bolts information about weaning, cloth vs. disposable diapers, the psychological effects of co-sleeping, and even how to get free infant gear. This book provides a clever, hip, and entertaining mix of advice, anecdotes, political analysis, and factual sidebars that will help parents as they navigate the first years of their child's life. Jessica Mills is a great writer with a lot to say and the heart, guts, brains, and perseverance it takes to do it. *My Mother Wears Combat Boots* is an instant classic, the latest in the evolution of punk sensibilities into sustainable community action: full of real life experience and well-researched inquiry. It will take another generation before a parenting book has the cutting edge insight, yet stable strength, of this collection. --China Martens, author of *The Future Generation: A Zine-Book for Subculture Parents, Kids, Friends Others* This is the most sympathetic read I've come across in my travels as a punk parent and musician. It's nice...
