Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is a pulp novel from the 60 s. Written for impact and attempting to appear sexy, this novel expanded the bounds of what could be written with impunity. However, it comes off as funny, rather than erotic: Janet was more than a beautiful woman. She was white heat and surging womanhood all dolled up in a body like that of a French movie star. She was as wanton as a Polynesian dancer and as demanding as a nympho. Beth Danson was about twenty-five and, besides her deep auburn-brown hair and lovely face, she boasted an equally attractive body. He found himself captivated by the warm thrust of her breasts beneath the silk blouse. The clear milk of her flesh, at the V of her throat excited him in a strange way. When he thought of her as his wife, it was frightening. It was as though someone had tossed him a woman and expected him to just fall into the routine of marriage. It wouldn t be hard to come to love this woman, but it would take awhile. Hell, he didn t know her. She was a complete stranger who had suddenly told him they were married. This is very well worth the read for its entertainment value. It is also quite a story. This is a Green Bird Publication of a quality paperback.
