This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Abrahams integrity having been proved by his willingness to sacrifice his son Isaac - an act foretoking the immolation of the Only Begotten for the redemption of the world - there came a further pledge from Jehovah to his tried and faithful friend. The original promise: In thee shall all families of the earth be blessed, was expanded to: I will multiply thy seed as the stars of the heavens, and as the sand which is upon the seashore; and in thy seed shall all the nations of the earth be blessed (gen. 22: What had Abraham done to merit this high distinction. It cannot be that he was chosen for so great and important a mission merely for migration from his own to another country, or even for his willingness to offer up his beloved son. As a matter of fact. The first promise was given before the sacrifice was demanded. Undoubtedly these acts of obedience were greatly to Abrahams credit, but how could they be placed to the credit of his posterity. The unborn millions who were to inherit the covenant and share in the great reward. The patriarch himself helps us to a solution of the problem. About the Publisher.
