Excerpt from Key to the Shorter Catechism: Containing Catechetical Exercises, a Paraphrase, and a New and a Regular Series of Proofs on Each Answer But though we reflect with gratitude upon the kindness of our fathers in leaving behind them such a rich legacy, yet experience compels us to call in question their wisdom, in committing this Catechism, which was intended for adult Christians, into the hands of children. That very quality which forms its excellence as a compendium, and which, doubtless, made them so desirous to teach it immediately to their children, renders it very improper for being prescribed as the first book by which a child is to be instructed.
