The 14th Reinstated, a new novel from Bryce M. Towsley Bryce M. Towsley s new novel, The 14th Reinstated, is ripped from today s headlines and the plot is eerily close to what is happening in the world today. This book lays out a frightening and dark scenario of how the world may look in a few years, and readers will pray it is not a prophecy of the future. It s an action - adventure - mystery novel with all the elements of a rollicking good read: gun, knife and fist fights, desperate chases, pretty girls, likable heroes and mysterious evil doers trying to take over the world. It is set a few years after the world suffers social and economic collapse. There has been a total meltdown and horrible social wars that killed millions. The protagonist is just trying to rebuild a life with his family and neighbors when he is sucked into the most evil and vile of plots. The book opens after he has shot an assassin who tried to kill him. He was looking for his kidnapped niece and the assassin was waiting in ambush. The hero should have been dead before the book even really got started, but the bad guy picked the wrong man to mess with. This is his first clue that something is not what it seems and when thirty more men show up to finish the job he knows he is trouble. As the story develops he discovers a most unimaginable horror that has been perpetrated on the world and realizes that he and his friends are the only people who can stop the bad guys from finishing the...
