Unknown to them at the time, this isn't just any ordinary doctor with sea-green eyes and a tantalizing scent of violets. She might very well be the catalyst leading to the destruction of the Insemi race. Dr. Keely Anderson thinks she's on to something wondrous when not one, but three patients reveal they've seen men disappearing before their eyes. Undaunted by her prick boss's demand she stop investigating, Keely finds herself swept into the arms of two overwhelming males that want to see her permanently positioned between their sexy as hell bodies. But will her heartrending past keep them at arm's length? Book 7 in the Fueled By Lust Series will pull at your heartstrings, make you gasp at the action, and have you fall head over heels in love once again with the Insemi race. ** A Siren Erotic Romance.
