Insight Publishing Group, 1999. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Rick Pearson is a graduate of Oral Roberts University. He has traveled to over 20 nations of the world studying and teaching Bible Prophecy as it relates to global current events. Rick serves on the Executive Board of Regents of Oral Roberts University and is a Chairman of the Oral Roberts Evangelistic Association of Canada. Rick s passion for studying Bible Prophecy began during a personal trying experience in 1986. It was at this time that certain future events found in Bible Prophecy were made clear to him. In this teaching, Rick explores the scriptural details of a future Mideast crisis involving a latter day nation called Babylon. The end result of this conflict is a nuclear holocaust that literally ushers the planet into the prophesied 7 year tribulation period. Who is Babylon? The Bible clearly describes it as a prosperous nation that has within it the Bride of Christ. This timely and unique teaching clearly shows the spiritual dynamics of present world conditions and prophesied events to come.
