Have you ever wondered just what was going on when that odd little man with the long name stepped up and volunteered to spin straw into gold for the miller s daughter? If you stop and think about it, there are some very peculiar components to the story. Vivian Vande Velde has wondered too, and she s come up with these six alternative versions of the old legend. A bevy of miller s daughters confront their perilous situation in very different ways - sometimes comic, sometimes scary, and always unexpected.
