Of the dozen or so novels that Charles Dickens produced over his lifetime, three stand out as among the best: Great Expectations, A Tale of Two Cities, and Oliver Twist. Considered by many to be Dickens finest novel, Great Expectations traces the growth of the books narrator, the orphan Philip Pirrip (Pip), from a boy of shallow dreams to a man with depth of character. From its famous dramatic opening on the bleak Kentish marshes, the story abounds with some of Dickens most memorable characters. As Pip unravels the truth behind his own great expectations in his quest to become a gentleman, the mysteries of the past and the convolutions of fate through a series of thrilling adventures serve to steer him toward maturity and his most important discovery of all the truth about himself. A Tale of Two Cities is one of Dickens most exciting novels. Set against the backdrop of the French Revolution, it tells the story of a family threatened by the terrible events of the past. Doctor Manette was wrongly imprisoned in the Bastille for eighteen years without trial by the aristocratic authorities. Lucie falls in love with Charles Darnay, another expatriate, who has abandoned wealth...
