

## Moving the Mountain: The Women s Movement in America since 1960 (Paperback)

By Flora Davis

University of Illinois Press, United States, 1999. Paperback. Condition: New. Revised ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Moving the Mountain tells the story of the struggles and triumphs of thousands of activists who achieved half a revolution between 1960 and 1990. In this award-winning book, the most complete history of the women s movement to date, Flora Davis presents a grass-roots view of the small steps and giant leaps that have changed laws and institutions as well as the prejudices and unspoken rules governing a woman s place in American society. Looking at every major feminist issue from the point of view of the participants in the struggle, Moving the Mountain conveys the excitement, the frustration, and the creative chaos of feminism s Second Wave. This title includes a new afterword that assesses the movement s progress in the 1990s and prospects for the new century.
