Excerpt from The Kaiser and His Barbarians: An Authoritative Record of the Crimes Committed by the Germans in France and Belgium in the Name of War, Together With the Official Reports of the Commission of Enquiry Appointed by King Albert of Belgium The Chief of the Mission made a statement to the representatives of the London Press in reference to the atrocities the Germans have committed upon a pacific and neutral people. Although this statement was made orally in -quite an unceremonious way to the Pressmen, every word carried with it the speaker s genuine and absolute horror and his deep sorrow and pity for his brutally-used people. It was a tale of terror, which should awaken the indignant pity of all men and women who are not of the Kaiser s Opinion that justice and honour are dead and that brute force and sheer savagery should reign in their stead.
