Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Expedition of Humphry Clinker, Vol. 2 What temptation can a man of my turn and temperament have, to live in a place where every corner teems with fresh objects of detestation and disgust? What kind of taste and organs must those people have, who really prefer the adult rate enjoyments of the town to the genuine pleasures of a country retreat? Most people, I know, are originally seduced by vanity, ambition, and childish curiosity; which cannot be gratified, but in the busy bustle of men: but, in the course of this gratification, their very organs of sense are perverted, and they become habitually lost to every relief of what is genuine and excellent in its own nature.
