Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from Moliere en Angleterre, 1660-1670 Je me propose d etudier, dans ce travail, l influence de Moliere en Angleterre de 1660 a 1670. C est donc sur les toutes premieres annees que j ai commence par fixer mon attention. Il eut ete facile d aligner une serie de chapitres sur Moliere et Dryden, Moliere et Wycherley, Moliere et Congreve, Moliere et Sheridan; mais cette facon de proceder, specieuse et commode, eut abouti a des resultats faux. En effet, la theorie des hommes representatifs n est pas applicable a tous les cas. Qu il y ait des hommes et des oeuvres exprimant ce qu il y a de plus grand dans telle ou telle branche de l activite humaine, je veux en croire Emerson. Mais, que l on puisse retrouver dans la vie et l oeuvre de ces quelques hommes toutes les epoques de l histoire litteraire, par exemple, je ne puis l admettre. Je crois meme qu aucune facon d ecrire l histoire ne produit de resultats plus douteux que celle qui consiste a juxtaposer une serie d etudes sur des personnalites dominantes. La vie litteraire, en effet, comme la vie en general, est terne dans son aspect, et l on ne peut vraiment suivre l evolution d une litterature qu en des travaux objectifs, accordant a tous les faits et a toutes les personnalites la part qui leur revient dans un ensemble determine. C est un travail de ce genre que j ai voulu faire. Ce n est donc pas une suite de morceaux de bravoure que je presente ici.
