Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Where do you turn for help when you can't trust anyone? Alexis Fields was sure that moving across state lines would be nothing more than a change of scenery and the start of a new career. But when a shadowy figure murders four men in the vacant house next door, her life quickly turns into a living hell, as she discovers that the idyllic location is not what it seems--and evil can come from the most unsuspecting places. Alexis along with a friend, John Hill, put their lives in imminent danger to expose evidence of a shocking crime ring and are suddenly drawn into an underground world of terrifying depravity. But when they learn that what they are about to uncover is part of a much bigger conspiracy, the two find themselves prey to a twisted and ruthless mastermind who will stop at nothing to murder anyone who gets in his way. Will Alexis and Hill survive? Will the perpetrators be stopped before the death toll rises? With more action, twists, tension and suspense, this is the second installment of Alex Dean's scariest, most chilling series yet.
