Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 352 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Excerpt from Golden Dreams and Leaden Realities So! I have come to be an old man at last! and I havnt been a great while about it either. No one is a great while about anything nowadays. Where is my life heighho! here I am holding tight on to the little end, and it slipping all the while faster and faster out of my fingers. And no wonder; sixty-nine years all taking hold of the rope, and all pulling together, walk it off as fast as two engines racing to a fire, and here is the seventieth running to join them. By the way, what a strange dream that was I had the other night! if I were superstitious, I should suppose it meant something, for I never had any like it before - the world on fire! ten thousand bells ringing the alarm! hurry up the engines! pour on water! but the ocean is burning too! Paynes problem is solved at last. Hark to those volcanoes! great guns, double shotted, there goes Mount Etna, and theres Vesuvius, and that, that must be Cotapaxi; what a tremendous burst therell be when the fire reaches the great central magazine! but where are the mourners do the stars miss one of their number will its ashes reach their sphere Well, I have seen a great deal - magnetic telegraph railroads, womans rights, crystal palaces, California, Australia, and now, ships of twelve thousand tons, the Atlantic turned into a horse-pond: what is the world coming to There was no such thing when I was young - we didnt profess then to be wiser than all before us. Im glad I shall soon be out of the way....
