This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Janet and Jeremy planned an elopement in the spicy fragrance of the homewoods. Before the plan could be executed, Janet s father caught on and shipped her to the London Marriage Mart. It is discovered that the tryst in the forest has produced a love child. To save the family from disgrace, Janet is hidden away in the country until the babe is delivered. Her little boy is taken away and hidden. Janet is blackmailed into marrying a man older than her father. Jeremy and Jamie are victims of their own folly and the cruelty of their families. Janet wears an air of continual sadness and vows that she will find Jeremy-her lost love-and the child that was stolen from her.
