## Real Change: From the World That Fails to the World That Works

By Newt Gingrich

Tantor Media, Inc, United States, 2008. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. Are you fed up with bickering politicians, self-satisfied bureaucrats, and a government that never seems to address the real problems facing our country? Can we create a government that is small, efficient, and responsive-from the state house to the White House? Is that kind of real change even possible? Newt Gingrich, architect of the Contract with America, says it is time for citizens to demand results from our elected officials. In this revealing and exciting new book, he shows how America can achieve transformational change-from a government of bureaucratic failure to a government that can meet the challenges of the twenty-first century. As a first step, Gingrich busts the pernicious myth that America is divided between conservative red states and liberal blue states. As Gingrich points out, the American people are united on almost every important issue facing our country-including immigration, taxes, defending America, and freedom of religion. The real division is between red-white-and-blue America and a fringe on the Left. Red-white-and-blue America believes overwhelmingly-by majorities of 70 percent or more-that we need a change in course. But our politicians aren't listening. Gingrich...
