MUNICH, 1938: APPEASEMENT AND WORLD WAR II

[DOWNLOAD](#)

SIMON SCHUSTER, United States, 2010. Paperback. Book Condition: New. Reprint. 216 x 140 mm. Language: English . Brand New Book. On September 30, 1938, British Prime Minister Neville Chamberlain flew back to London from his meeting in Munich with German Chancellor Adolf Hitler. As he disembarked from the aircraft, he held aloft a piece of paper, which contained the promise that Britain and Germany would never go to war with one another again. He had returned bringing Peace with honour--Peace for our time. Drawing on a wealth of archival material, acclaimed historian David Faber delivers a sweeping reassessment of the extraordinary events of 1938, tracing the key incidents leading up to the Munich Conference and its immediate aftermath: Lord Halifax's ill-fated meeting with Hitler; Chamberlain's secret discussions with Mussolini; and the Berlin scandal that rocked Hitler's regime. He takes us to Vienna, to the Sudetenland, and to Prague. In Berlin, we witness Hitler inexorably preparing for war, even in the face of opposition from his own generals; in London, we watch as Chamberlain makes one supreme effort after another to appease Hitler. Resonating with an insider's feel for the political infighting Faber uncovers, Munich, 1938 transports us to the war rooms and bunkers, revealing the covert negotiations and scandals upon which the world's fate would rest. It is modern history writing at its best.
