THE LAZY OPTIMIST: WAKING UP FROM MEDIOCRITY TURNING DREAMS INTO REALITY

Live It Publishing, United Kingdom, 2013. Paperback. Book Condition: New. Caroline Chapple (illustrator). 192 x 128 mm. Language: English . Brand New Book. You know that thing you ve always wanted to do? Twenty-one came and went and although the dream was still there (floating, less bright but still alive, somewhere behind a stack of stress and hidden amidst a sea of overtime hours in a distant corner of his mind) Charlie barely noticed that his dreamline-deadline had ticked its final tock. Well maybe it isn t too late after all! You see Charlie believed that he was going to be successful. He believed that he was special and that one day he would rise above the mass of mediocrity which surrounded him, dragged him down and slowly drained him of his ambition; and then he would make a name for himself. The Lazy Optimist tells the story of an everyday man who had been harbouring the embers of potential in his heart for far too long. It is a tale of hope and describes how he managed to escape his life of genuine optimism, held back by fear, cunningly disguised as bad luck and resulting in a kind of directionless, busy-laziness.And if Charlie can.
