

Psychotherapy

By Hugo Munsterberg

Cosimo Classics. Paperback. Condition: New. 416 pages. Dimensions: 8.0in. x 5.0in. x 1.1in. The chief aim of this book is twofold. It is a negative one: I want to counteract the misunderstandings which overflow the whole field, especially by the careless mixing of mental and moral influence. And a positive one: I want to strengthen the public feeling that the time has come when every physician should systematically study psychology, the normal in the college years and the abnormal in the medical school. -from the Preface Whether or not you approve of the culture of mass psychology that resulted from the work of Hugo Münsterberg, his continuing impact on American society is inestimable. From the reliance on standardized testing in public schools to the corporate perspective on employees as human resources, the practical applications of psychology to industry, medicine, education, the arts, criminal investigation, and the social order that he pioneered still exert a dramatic influence on how we, a century later, continue to think about the mind and how it shapes human behavior. In this seminal 1909 volume, Münsterberg explores: . the psychological basis of psychotherapy . the general methods of psychotherapy . mental and bodily symptoms psychotherapy can address...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to look ahead of time and a lot more. I am quite late in starting reading this one, but better than never. I found out this book from my dad and I encouraged this PDF to find out.

-- Justus Hettinger
