

Generation XL: Raising Healthy, Intelligent Kids in a High-Tech, Junk-Food World

By Dr Joseph Mercola, Dr Ben Lerner

Thomas Nelson Publishers, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Childhood is a pivotal time for good nutrition. Organs and blood streams nurtured with junk food cannot build a foundation for good health and longevity as an adult. Drs. Joseph Mercola and Ben Lerner believe profound inactivity, addiction to electronic media, and diets of super-sized fast food and sugar-laden beverages have created a national emergency. Generation XL is a clarion call and a detailed guide to giving your child a vibrant, successful future and a healthy, wholesome, invigorating youth. As children riddled with pain, illness, learning disorders, and even depression begin to show up everywhere, rather than looking at brain development, nutrition, and lack of movement as the culprits, concerned parents are turning to more and more medications. Think about that. Is that how we were designed? To make medication a way of life and to be drugged early on a consistent basis? What does the future hold for us when kids are overweight, out of shape, and taking medications for the effects? What kind of children are we creating? This is not a diet book-far, far from it. Dropping...
