Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dean has just started secondary school and, apart from football, is finding it a bit of a bore. Somehow it s always his name that is on all of his teachers lips, his name on the report card and his mother who seems to be on first name terms with the Head of Year. Lessons are boring and never manage to maintain his concentration. The only joy he has is meeting with his mates and playing in the school team. Despatched to his grandparents house with no phone and no tablet, Dean is bored senseless until something quite inexplicable happens and causes him to question his entire history.
