Every child is created in the image of God, and every child carries this amazing gift of greatness inside himself or herself. But children hear mixed messages on a daily basis about life, about the world, and about themselves. In *Growing into Greatness with God: Seven Paths to Greatness for Our Sons and Daughters*, author and mother of three boys Janet Autherine encourages kids to see themselves as unique and amazing already blessed with what they need to succeed in life and achieve their dreams. Readers learn how to grow in love, faith, courage, leadership, happiness, gratitude, and confidence through the inspiring stories of Bible heroes such as Abraham, Sarah, David, and Ruth. Each chapter includes a brief summary of two Bible stories, with reflections on each, and concludes with three action-oriented suggestions on how to put the lesson into practice. The book ends with a letter that will inspire and empower readers, and questions for study and self-reflection that can be used by parents and teachers to help their children continue on their journey to greatness. Dreams are essential to life, and kids need to be inspired and encouraged to live life to the fullest. *Growing into Greatness with God* offers biblical examples of how people have nurtured what God has planted in them and teaches kids how to do the same in their own lives.
