Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.It s over for the United States economy we must change course and survive or go the way of the Great Auk. Now, only abolishing the minimum wage law can save the USA economy from total doom. It s too late for cutting spending to save this economy now only the abolishment of the minimum wage law can save the USA and world economy from total doom. The truth of the whole matter is government as a family provider on a mass scale has never been done in the history of mankind even during the days of slavery. Cutting spending would just mean a smaller welfare state and a smaller pie to share. And would just speed up the demise of this joke of an economy we have today. Its too late now, there is no turning back, we are pass the point of no return, end of story, that is all she wrote, only abolishing the minimum wage law can free us now to save ourselves. We have already entered the early stages of total doom when we are printing tons and tons of worthless currency in digital form. Sure, they say we have been saved from going over the so called physical cliff. It is very simple, to save the USA economy now the free market place must be set free, nothing else can do it. Even when the free market place is set free it will take an all out struggle just to survive. That is because the welfare state has already destroyed practical everything that makes civilization work. No civilization or society has ever survived very long without a strong nuclear and extended family...
