NOTE: Make sure to use the dashes shown on the Access Card Code when entering the code. Developmental Mathematics by Trigsted, Gallaher, and Bodden is the first online, completely clickable Basic Mathematics, Beginning Algebra, and Intermediate Algebra combined text to take full advantage of MyMathLab s(R) features and benefits. Kirk Trigsted saw marked improvements in student learning when he started teaching with MyMathLab, but he noticed that most students started their assignments by going directly to the MyMathLab homework exercises without consulting their textbook. This inspired Kirk to write a true eText, built within MyMathLab, to create a dynamic, seamless learning experience that would better meet the needs and expectations of his students. Completely clickable and fully integrated--the Trigsted eText is designed for today s learners. Developmental Mathematics is also available with two printed resources to provide additional support for your classroom: The eText Reference is a spiral-bound, printed version of the eText that provides a place for students to do practice work and summarize key concepts from the online videos and animations. In addition to the benefits it provides students, the eText Reference is also a nice resource for those instructors that prefer a printed text for class...
