PARADISE? IT S VERY GOOD! is a very appropriate and practical book for our challenging times. Not only does it reveal the root of mankind s problems, but offers the solution for escaping God s wrath during the great tribulation. Even though this thrilling and adventurous story of two boys who became astronauts is fiction, the valuable lessons learned from perfect immortal humans living in peace and happiness on a planet called Very Good can serve as practical guidelines for people on earth. In fact the story even suggests steps necessary to recapture a portion of paradise lost after Adam and Eve s first sin. This interesting and unusual story may be the only book ever written that begins with the birth of two boys and extends past the millennium and reaches far into eternity. Along this vast expanse of time one will find adventure, suspense, humor, romance and inspiration. In addition to this fascinating book having something for everyone its main accomplishment is to lead its readers along the only path that leads to eternal life.
