

The New Enlightenment: A Twenty-First Century Peaceful American Revolution (Paperback)

By Robert Bivona

New Enlightenment Citizens Union, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Our nation was born in the Age of Enlightenment when extreme economic and political inequalities motivated revolutions. Today, through peaceful means, we again require radical change for similar reasons. The New Enlightenment details the major public policy changes that are needed to create a fundamentally more just and democratic society. Reforms that compromise ideals in response to our dysfunctional political system would be a surrender, not an appropriate challenge to it. The 34 public policies detailed will, if instituted: Lift tens of millions of Americans out of poverty to a standard of living that now exists in the middle class; substantially improve the standard of living of tens of millions more; fundamentally improve our election, lobbying and media systems; enhance democracy with an innovative, new democratic system, and congressional rules reforms; create a \$300 billion annual federal surplus; increase GDP by \$1.4 trillion. Costs or revenue gains resulting from instituting each policy is included. The New Enlightenment fully supports its policy proposals on economic, moral and other grounds, and promotes the formation of The New Enlightenment Citizen s Union (that may evolve...
