

Principles of Cost Accounting (Classic Reprint) (Paperback)

By John R Wildman

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Principles of Cost Accounting The motive which prompted the author to prepare and publish Cost Accounting, was the desire to supply a demand for a text book on the part of the students in New York University School of Commerce, Accounts and Finance. In presenting it for public consideration it is desired to have clearly understood the fact that it is intended as a text book especially adapted to the needs of students, and is not intended as a general reference work. The supply of literature on the subject of cost accounting is increasing rapidly. The quality of such literature is of a high order. The fault to be found with it from the point of view of a teacher is that it is too highly specialized. The tendency on the part of authors on this subject is to select some particular industry or line of production and describe a particular system, attempting to make such typical of the entire subject. Most systems are accompanied by elaborate forms. In fact it may be said that many systems are nothing...
