FURY: A STREAMLINED APPROACH TO TABLETOP GAMING

Createspace, United States, 2011. Paperback. Book Condition: New. 249 x 173 mm. Language: English . Brand New Book ***** Print on Demand *****.Fury is a table-top role playing game in a modern setting with fantasy elements. The world of Fury is one where fighters, with the help of technology, have broken through to an almost superhuman level - surpassing the deadliness of almost all weaponry known to Earth. Your adventures will see you traveling to exotic locations, reaching past your limits, and testing your mind and body against the world's more dangerous warriors. The game is focused on fast and streamlined play where your heroes are free to do what they want without requiring long periods of rulebook reference. While using some tried and true mechanics such as skills, Fury features several changes from the d20 system that are designed to increase the tempo of play and create a more frantic and exciting setting for adventuring.
