By Alun J Blackwell

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr Bradley Lewton, an happy-go-lucky academic chancer who has an unfortunate way with women, knows a lot about the theory of physics and weapons systems but very little about how to make a living. Meet him in Nikola Tesla and the Philadelphia Experiment, an action packed, science based, thriller that will tell you all you ever wanted to know about Tesla s more out-outrageous ideas, some of which Dr Lewton discovers to be true and dangerous. The drowsy life of this unworldly academic researcher is shaken up when he is hired by top-notch lawyer Liz O Hare, as an expert witness in a Gulf War Syndrome investigation. What seems a simple way to earn some extra cash soon becomes a matter of life and death. The combination of bizarre science, a pushy woman and a secret spy agency results in a fast moving plot which will suck you into its strange world. Facts In 1899 the scientist Nikola Tesla set up an experimental station to broadcast wireless electrical power in Colarado and succeeding in transmitting...

Reviews

It in one of the most popular ebook. It usually fails to price an excessive amount of. Its been printed in an extremely basic way in fact it is merely right after i finished reading through this book in which really altered me, change the way i believe.
