INSPIRED BY THE ART OF PAUL DECKER (PAPERBACK)

Bengal Studio, United States, 2016. Paperback. Condition: New. Language: N/A. Brand New Book ***** Print on Demand *****.This coloring book forges a new direction for Vintage Coloring in that the illustrations contained within were drawn based on inspirations from the original source, which in this case was a two book collection released in 1795 by architect Paul Decker of his drawings made while visiting China. This volume includes the following: ? Twenty full page illustrations ? Twenty 4?x6? single images of the artwork used to create the full page illustrations ? Single-sided pages ? Blank pages at the end of the book to test your coloring implements Due to the thickness of the paper, colored pencils are recommended. Markers may be used, though having a sheet of cardstock or a few pieces of copy paper under the page you are coloring is useful to prevent possible bleed-through onto the next illustration. Each illustration was hand-drawn based on the original architectural sketches, then repeated and combined into a full page pattern. This volume is part of the Vintage Coloring series of adult coloring books by late nineteenth-early twentieth century artists.
