

The Shotokan Karate Bible 2nd edition: Beginner to Black Belt (Paperback)

Filesize: 8.52 MB

Reviews

This pdf is fantastic. It really is basic but shocks inside the 50 % in the pdf. I realized this pdf from my i and dad encouraged this pdf to discover.

(Hunter Witting)

THE SHOTOKAN KARATE BIBLE 2ND EDITION: BEGINNER TO BLACK BELT (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. An authoritative text supporting the newcomer to karate with all they need to know, up to black belt level. Packed with photographs detailing techniques and kata (the combinations of techniques students need to master to progress through the belts) this book is designed to take the student step by step through the progression of Shotokan Karate, taking each belt in turn. Photographs and clear instructions take you step by step through the kata. Karate is a martial art that focuses on the application of strikes using predominantly the hands and feet. It originated in Japan and has become popular throughout the world. There are many styles of karate but the most widely practised outside of Japan is Shotokan Karate. Training in karate is normally divided into three sections: the basic technique; kata, or sequencing of techniques to imaginary opponents; and kumite, the sparring done with an opponent. In total there are ten gradings to be passed in order to get a black belt - this, on average takes a student four years to attain. This book covers all the training needed to attain a black belt. This new edition includes brand new material on partner work, more grading tips to help you avoid making common mistakes, and new footwork diagrams to help you understand the movements better. An indispensable guide.
