SINGLE WEB APPLICATIONS

Manning Publications. Paperback. Book Condition: new. BRAND NEW, Single Web Applications, Michael Mikowski, Code for most web sites mostly runs on the server. When a user clicks on a link, the site reacts slowly because the browser sends information to the server and the server sends it back again before displaying the results. With near universal availability of capable browsers and powerful hardware, the single page web application (SPA) pushes most of the code to the browser, giving users immediate...
