The Indie Publishing phenomenon means you absolutely can make your dream a reality! Indie Publishing is short for Independent Publishing. Like Indie Film is outside of the major movie studios, Indie Publishing is publishing outside of the traditional publishing houses. It's easy and incredibly affordable. Print books often cost less than 5.00 per copy and at least one vendor has no minimum number of copies required at purchase. You can just buy one if you want to! And publishing digital books is free. FREE! DIY Publishing Cheap and Easy, walks you steps-by-step through the process necessary to take your existing manuscript and publish it in both print and digital form. Scary Terminology is defined in language that is easily understood by regular people. Format Your Book for publication yourself, following the steps outlined in Chapter 3. Use the Check List at the end of each chapter to be sure you took all the right steps. Compare Publishing Formats to decide which is right for you. Learn how to Launch Your Book whether it has...
